## YES . . . IT'S VACATION TIME AGAIN

IN THE VALLEY OF THE MOON

Well. . . Well. . . Well. . . It's vacation time again and where can anyone find a better place to spend a vacation, but right here. . .

Of course most of us are spoiled and will want to see some of the rest of the country, so take off and spend a few weeks and when you return you will really appreciate home. . .

If you do take a notion to travel, why not leave the old gas hog at home and take a bus and leave the driving and worry to the bus driver. . .

Even the State of California is allowing its employees 10c per mile to drive their own cars and brother there won't be any profit off that. . .

Bus travel figures out about 3c per mile and no worry, So contact your nearest bus depot and let them plan your vacation trip now. . .
